A. Road Work Permit

A Road Work Permit is required of all persons, agencies, corporations (private or public), or institutions to occupy or close any Township Road, sidewalk, boulevard, or right-of-way to complete work. Including, but not limited to, storage bin, waste bin, parked equipment, sidewalk closure, etc. Properties adjacent to Regional Roads must apply for a Region of Waterloo Work Permit.

Is a Road Work Permit required for the work being applied for under this building permit?

 Yes

 No

B. Municipal Park & Trail Property Access

A Permission to Access Park & Trail Property Permit is required anytime a contractor or homeowner plans to enter onto Township owned parkland, greenspace, or trails with any type of equipment or vehicle for the purpose of accessing private property. This policy is aimed to control access, prevent any damage to Township owned lands, and ensure the safety of park and trail users. A Permission to Access Park & Trail Property permit is required when crossing Township lands to carry out activities on private property, including but not limited to, landscaping, pool construction, deck or fence construction, or delivery of materials. If Township owned parkland, greenspace, or trails are accessed outside of this process, the Township may hold those parties responsible for any and all resulting damages, and parties may be prosecuted to the full extent of the law.

Is a Permission to Access Park & Trail Property Permit required for the work being applied for under this building permit?

 Yes

 No
